

DROOP SNOOT GROUP

MEMBERSHIP APPLICATION FORM

Thank you for your enquiry regarding membership of the Droop Snoot Group (DSG). We hope that the following information will give you a small insight into the DSG and its aims, for the owners and enthusiasts of Vauxhall cars built during the 1970's and 1980's.

The DSG was formed in 1980 to ensure the future health of the last of the true Vauxhall cars, namely;

- the High Performance Firenza
- the rare Sportshatch
- the Chevette HS & HSR

plus all their stablemates;

- Viva
- Firenza
- Magnum, and
- Chevette

Most of these fine cars were powered by the "slant four" OHC engine which, in its sportier guise, gave Vauxhall great success in motorsport during the '70's and '80's.

If you already own a car of this type, you will no doubt be aware that many of the parts are

becoming increasingly difficult to obtain. To this end, the club has a very efficient Spares Operation which where necessary, has parts re-manufactured if no longer available from either the factory or local sources.

Our club magazine "**Droop Snoot Noos**" is published quarterly in A4 format and contains information on forthcoming events, event reports, letters, advertisements, technical tips etc. for the Vauxhall enthusiast. It is mailed free to all club members.

Club Meetings are held regularly at various locations throughout the year and include race circuits, motor shows, museums, classic car and charity events so no one need feel left out.

On joining the club you will receive a starter pack, comprising; a membership card, latest issue of the club magazine, two window stickers (to show your allegiance) and a further membership form for you

to encourage others to join.

Membership runs annually from April 1st and currently costs **£25.00**

(£30.00 for overseas members), but is reduced depending on when you join:-

Quarter	% of membership fee
April / May / June	100
July / August / Sept.	75
Oct. / Nov. / Dec.	50
Jan. / Feb. / March	25

We would like to take this opportunity of welcoming you to the club and look forward to meeting you (and your car!) at future club events.
